

## McKelvie Intermediate School Directory 2008-2009

Dear Parents,

McKelvie Intermediate School is again compiling a directory of families for the 2008-2009 school year. It will contain address and telephone information that has proven to be an invaluable reference in past years. The directory is absolutely **NOT** to be used for business solicitation of any kind.

If you would like to have your information included in the directory, please fill out the information below and return this form by **Thursday, September 4<sup>th</sup>** to your child's teacher and we will be sure to include you in the directory. If you have more than one child at McKelvie, you only need to fill out the form once. Please fill out the information as you would like it to appear in the directory. Due to production limitations, we can only print the names of the students who attend the school (no room for siblings).

If you'd like to purchase a directory, please follow the directions at the bottom of the page.

If you would like to be included in the directory but are not interested in purchasing a copy, fill out the information below and be sure to check the box indicating you don't want a copy.
